

**ELECTRONIC FUNDS TRANSFER (EFT)
PAYMENT AUTHORIZATION**

Last Chance Tennis Association (LCTA) encourages members to utilize an Electronic Funds Transfer (EFT) to provide automated payment for court usage fees, membership dues, and other club-related charges. A \$10 fee per check may be administered if a member chooses not to utilize an EFT method. Our Club Automation system securely retains your credit card or banking information, which can be processed at the end of each billing period to pay the balance on the account via credit card charge or ACH bank transfer.

LCTA's billing period is from the first to the last of the month. An electronic statement showing the month's activity and outstanding balance is sent to the email address on record around the first of the month following the previous billing period. Payment is then processed on the 5th of the month. Please review your statement promptly, and if you notice an error or have questions regarding charges, please contact LCTA immediately, prior to payment being processed. If your credit card does not process for some reason, you should receive an email notifying you of that as well.

Please select one of the following options authorizing Last Chance Tennis Association, located at 2910 Skyway Drive, Helena, MT 59601 / PO Box 7675, Helena, MT 59604, to pay the accumulated balance on your house charge account at the end of each billing period.
